Geriatrics and Gerontology International Volume 18 Issue 10, October 2018

EPIDEMIOLOGY, CLINICAL PRACTICE AND HEALTH

- Prevalence and outcomes of accidental hypothermia among elderly patients in Japan: Data from the J-Point registry
S Morita et al. 1427
- Development of a risk assessment scale predicting incident functional disability among older people: Japan Gerontological Evaluation Study
T Tsuji et al. 1433
- Influence of lack of posterior occlusal support on cognitive decline among 80-year-old Japanese people in a 3-year prospective study
K Hatta et al. 1439
- Multimorbidity among middle-aged and older persons in urban China: Prevalence, characteristics and health service utilization
H Chen et al. 1447
- Clinical features and outcomes in patients with elderly-onset anti-neutrophil cytoplasmic antibody-associated vasculitis
S Sato et al. 1453
- Development of the Dementia Assessment Sheet for Community-based Integrated Care System 8-items, a short version of the Dementia Assessment Sheet for Community-based Integrated Care System 21-items, for the assessment of cognitive and daily functions
K Toyoshima et al. 1458
- Combined effects of four major geriatric syndromes on adverse outcomes based on Korean National Health Insurance claims data
S Kim et al. 1463
- Predictors for achieving oral intake in older patients with aspiration pneumonia: Videofluoroscopic evaluation of swallowing function
M Ito et al. 1469
- Postprandial hypotension in older people receiving tube feeding through gastrostomy
K Sato et al. 1474
- Community-dwelling older men with dementia are at high risk of hip fracture, but not any other fracture: The Concord Health and Aging in Men Project
B Hsu et al. 1479

- Effects of play activities program for nursing home residents with dementia on pain and psychological well-being: Cluster randomized controlled trial
MMY Tse et al. 1485

BEHAVIORAL AND SOCIAL SCIENCES

- Lifestyle activities and the risk of dementia in older Japanese adults
H Shimada et al. 1491

SOCIAL RESEARCH, PLANNING AND PRACTICE

- Polypharmacy is associated with frailty in Japanese community-dwelling older adults
A Yuki et al. 1497
- Association of solidarity between adult children and older parents with cognitive decline
J-H Kim and D Chon 1501

BIOLOGY

- Changes in telomere length with aging in human neurons and glial cells revealed by quantitative fluorescence *in situ* hybridization analysis
K-i Tomita et al. 1507
- Thirty-day hospital readmission rate amongst older adults correlates with an increased number of medications, but not with Beers medications
S Basnet et al. 1513

LETTERS TO THE EDITOR

CASE REPORTS

- Compound heterozygote mutations in the *SIGMAR1* gene in an oldest-old patient with amyotrophic lateral sclerosis
Y Izumi et al. 1519
- Successful treatment for various arrhythmias in an older patient treated with pilsicainide for paroxysmal supraventricular tachycardia
R Etoh et al. 1520

RESEARCH STUDY

- Estimation of life expectancy with gait speed for cancer screening decisions in older adults
TF Nishijima et al. 1522
