EPIDEMIOLOGY, CLINICAL PRACTICE AND HEALTH

- Feasibility and effectiveness of home-based exercise programs on physical performance and health-related quality of life of the older people dwelling on an isolated, doctor-less island
S Akihiro et al. 1313
- Relationship between sarcopenia and depression in older patients with diabetes: An investigation using the Japanese version of SARC-F
S Ida et al. 1318
- Maximum gait speed is associated with a wide range of cognitive functions in Japanese older adults with a Clinical Dementia Rating of 0.5
H Umegaki et al. 1323
- Safety and therapeutic efficacy of mirabegron 25 mg in older patients with overactive bladder and multiple comorbidities
YK Lee and H-C Kuo 1330
- Nutritional intake is associated with activities of daily living and complications in older inpatients with stroke
Y Kokura et al. 1334
- Anticholinergic drugs use and risk of hip fracture in geriatric patients
E Kose et al. 1340
- Sarcopenia is associated with blood pressure variability in older patients with type 2 diabetes: A cross-sectional study of the KAMOGAWA-DM cohort study
Y Hashimoto et al. 1345
- Dementia and Alzheimer's disease risks in patients with autoimmune disorders
X Li et al. 1350
- Prevalence and predictors of co-occurring diabetes and hypertension in community-dwelling older adults
OT Sims et al. 1356
- Moderating effect of emotional support on the relationship between disability and life satisfaction in older adults
SA Haron et al. 1361
- Application of smart bracelet to monitor frailty-related gait parameters of older Chinese adults: A preliminary study
R Zhong et al. 1366
- Environmental and physical factors predisposing middle-aged and older Japanese adults to falls and fall-related fractures in the home
T Tanaka et al. 1372

- Factors associated with potentially harmful drug–drug interactions in older Korean people: A population-based study
S-J Yoon et al. 1378
- Clinical characteristics of patients with dementia in a local emergency clinic in Japan
K Tadokoro et al. 1383
- Decision tree for ward admissions of older patients at the emergency department after a fall
C Trevisan et al. 1388
- Association between dynapenia and decline in higher-level functional capacity in older men with diabetes
S Ida et al. 1393
- Effect of whey protein supplementation after resistance exercise on the muscle mass and physical function of healthy older women: A randomized controlled trial
H Mori and Y Tokuda 1398

SOCIAL RESEARCH, PLANNING AND PRACTICE

- Effects of gastrostomy fee schedule revision on artificial nutrition routes among older people with dementia in Japan: A time series observational study
T Maeda et al. 1405

BIOLOGY

- Retrospective analysis of the usefulness of a protocol with high-dose methotrexate in polymyalgia rheumatica: Results of a single-center cohort of 100 patients
L Quartuccio et al. 1410
- Epigenetic status of subtelomere of peripheral leukocytes corresponds to cardiographic parameters with a sex association
T Maeda et al. 1415

LETTERS TO THE EDITOR

CASE REPORT

- Hypothyroidism-induced hypermagnesemia with a small dose of magnesium
N Yamamoto et al. 1420

RESEARCH STUDY

- Effect of an online program using popular social media on healthcare professionals' knowledge and attitudes towards dementia
Y Hirakawa et al. 1421
