Geriatrics and Gerontology International Volume 19 Issue 1, January 2019

EPIDEMIOLOGY, CLINICAL PRACTICE AND HEALTH

- Prevalence and predictors of inappropriate prescribing according to the Screening Tool of Older People's Prescriptions and Screening Tool to Alert to Right Treatment version 2 criteria in older patients discharged from geriatric and internal medicine wards: A prospective observational multicenter study
M Bo et al. 5
- Effects of branched-chain amino acids and vitamin D supplementation on physical function, muscle mass and strength, and nutritional status in sarcopenic older adults undergoing hospital-based rehabilitation: A multicenter randomized controlled trial
I Takeuchi et al. 12
- Development of a novel convenient Alzheimer's disease assessment scale, the ABC Dementia Scale, using item response theory
Y Umeda-Kameyama et al. 18
- In-hospital mortality of pelvic ring fractures in older adults now and then: A pelvic registry study
MF Rollmann et al. 24
- Results from a person-centered music intervention for individuals living with dementia
ES Ihara et al. 30
- Home healthcare professionals' perspectives on quality dimensions for home pharmaceutical care in Japan
K Fujita et al. 35
- Change in number of potentially inappropriate medications impacts on the nutritional status in a convalescent rehabilitation setting
E Kose et al. 44
- Associations among behavioral and psychological symptoms of dementia, care burden, and family-to-work conflict of employed family caregivers
M Sakka et al. 51

BEHAVIORAL AND SOCIAL SCIENCES

- Tamoxifen use correlates with increased risk of hip fractures in older women with breast cancer: A case-control study in Taiwan
S-C Hung et al. 56
- Age-related changes in muscle elasticity and thickness of the lower extremities are associated with physical functions among community-dwelling older women
A Saito et al. 61

SOCIAL RESEARCH, PLANNING AND PRACTICE

- Completed suicide rates of older adults in 5-year age bands in Turkey between 2002 and 2013: A retrospective study
AE Altınöz et al. 66
- Predictors of mortality in older patients admitted to a geriatric hospital
S Agrawal et al. 70
- Associations of social frailty with loss of muscle mass and muscle weakness among community-dwelling older adults
H Makizako et al. 76

LETTERS TO THE EDITOR RESEARCH STUDY

- Improving access to community support and services for persons living with dementia: Integration of home care services into primary care-based memory clinics
L Lee et al. 81

COMMENTS

- Unusual case of idiopathic normal pressure hydrocephalus initially presenting as Parinaud's syndrome?
H Onder 83
- Reply to the comments on "Unusual case of idiopathic normal pressure hydrocephalus initially presenting as Parinaud's syndrome?"
J-Y Lee et al. 84
