INVITED REVIEW

- An update on cognitive frailty: Its definition, impact, associated factors and underlying mechanisms, and interventions
T Sugimoto et al. 99

REVIEW ARTICLE

- Skeletal muscle as a treatment target for older adults with diabetes mellitus: The importance of a multimodal intervention based on functional category
T Omura and A Araki 110

ORIGINAL ARTICLES

EPIDEMIOLOGY, CLINICAL PRACTICE AND HEALTH

- Prescription drug survey of elderly patients with degenerative musculoskeletal disorders
K Sato et al. 121
- Effectiveness of the Questionnaire for Medical Checkup of Old-Old (QMCOO) to diagnose frailty in community-dwelling older adults
M Yakabe et al. 127
- Relationship between the Kihon Checklist and all-cause hospitalization among community-dwelling older adults
S Koyama et al. 132
- Impact of orthogeriatric care management by orthopedic surgeons and physicians on in-hospital clinical outcomes: A difference-in-difference analysis
T Ogawa et al. 138

BEHAVIORAL AND SOCIAL SCIENCES

- Social frailty is independently associated with geriatric depression among older adults living in northern Japan: A cross-sectional study of ORANGE registry
Y Kume et al. 145

SOCIAL RESEARCH, PLANNING AND PRACTICE

- Leisure activities and instrumental activities of daily living: A 3-year cohort study from the Japan Gerontological Evaluation Study
S Ukawa et al. 152

BIOLOGY

- Aging-related metabolic changes in the extensor digitorum longus muscle of senescence-accelerated mouse-prone 8
T Hoshino et al. 160
- Association between activity restriction due to fear of falling and mortality: Results from the Korean longitudinal study of aging
JM Yang and JH Kim 168

LETTERS TO THE EDITOR

CASE REPORT

- Successful treatment of an elderly patient with severe eosinophilic asthma and eosinophilic myocarditis using benralizumab
N Kodaka et al. 175

RESEARCH STUDIES

- Effectiveness of a servo-assistive robotic rollator in community-dwelling older adults
K Kidana et al. 177
- Increasing health professional awareness about the link between sleep and falls in older adults
VA Kakazu et al. 178
- Antibody response to BNT162b2 mRNA vaccine in healthcare workers and residents in a long-term care facility
T Kitagawa et al. 179
- How many food items must be consumed to meet the recommended dietary protein intake for older Japanese adults?
D Watanabe et al. 181

COMMENTS

- Reply to the comments on “Higher levels of lead and aluminium are associated with increased risk of falls among community-dwelling older adults: An 18-month follow-up study”
TC Ooi et al. 183
- Intensive olfactory training and emotional memory in patients with dementia
I Okuni and S Ebihara 185
